HEALTHY WATER TECHNOLOGIES

FOR HEALTH, HOME AND GARDEN

Chemical-free, energy-free and maintenance-free
water softening treatment

Support a healthier and safer home environment with soft, bioavailable, and better quality water.

Boost hydration, health and wellness

Use less detergents and chemicals

No salts or maintenance

PRODUCTS FOR OPTIMAL CELLULAR HYDRATION AND TOXIN REMOVAL FOR BETTER HEALTH.

Magnation's technology makes any water more bioavailable to cells by breaking down large water molecule clusters into the smallest units capable of entering and exiting your body's cell walls. It more fully hydrates while delivering greater nutrition and removing metabolic wastes and toxins at an accelerated rate, supercharging your well being. Hydrabolt™ funnel for countertop and versatile. Treat all liquids from milk to spirits. Powerband™ offered in two sizes for water bottles and wrists to treat your blood!

- ✓ Optimal bioavailability and fuller hydration of all cells
- ✓ Digestive, nervous, lymphatic and urinary systems
- ✓ Improved plaque removal, breath and oral health
- ✓ Improved athletic performance
- ✓ Accelerated toxin removal
- ✓ Liver and kidney function
- ✓ Healthy immune system
- ✓ Cellular metabolism
- ✓ Softer hair and skin
- ✓ Body alkalinity
- ✓ Weight loss

PRODUCTS FOR HOME AND GARDEN

AQUABOLT™

Designed with static mixing and double Rainbolt™ treatment for extreme salt issues. Improve water quality and efficiency with increased dissolved oxygen and lower TDS as well as reduced chlorine. Softer water means less chemicals and detergents to do the job! Improve water penetration and moisture retention in soils for water conservation and healthier plants and crops. Solve calcium carbonate and bicarbonates, iron bacteria, mineral scale buildup, boron toxicity and hydrogen sulfide issues. Significantly reduce algae, moss and biofilm in lakes, ponds and water fountains.

- ✓ Solve hard water issues without salts or chemicals
- ✓ Zero maintenance or replacement parts
- ✓ Improve water quality for entire home
- ✓ Reverse and eliminate mineral scale
- ✓ Improve flow and pressure
- ✓ Reduce hard water stains

RAINBOLT™

Magnation's Rainbolt™ series is tailored for pipe sizes 1/4"-4" diameter and promises the bulk of benefits Aquabolt™ offers. Treats entire home and garden with zero salts, replacement filters or parts, electricity or second thoughts. Great for wells.

INSTALLATION

Magnation's Rainbolt™ line are threaded for easy installation by a plumber or knowledgeable handyman. For both Aquabolt™ and Rainbolt™, install at main line after water meter to treat entire home and garden.

SOFT RAIN™

Soft Rain™ will remove chlorine, bacteria, viruses, and calcium and magnesium which will make your water softer for healthier skin and hair. Install between your existing showerhead and the water line so you can keep your existing showerhead and enjoy the options it offers.

- ✓ Solve hard water issues without slimy salts
- ✓ Keeps nozzles free of mineral buildup
- ✓ Use less soaps and shampoos
- ✓ Softer skin and hair
- ✓ Remove chlorine

SPRINGBOLT™

Easy to use, portable and versatile, Springbolt™ comes in two sizes: 3/4" (small blue) and 1" diameter (large black unit great for renters). Springbolt™ softens water without the use of salts for your showers, faucets, water heaters, dishwashers, laundry, spigots, garden hoses and sprinklers.

TURFBOLT™

Use 20% less water to irrigate your lawn and garden while promoting healthier soils and plants. Easy-to-install and versatile with attractive pricing, Turfbolt™ is a great way to treat a single irrigation zone for residential landscape and problematic dry spots. Excellent for hoses and sprinklers. Available sizes include 3/4", 1" and 1 1/4". Hose and NPT threads.

- ✓ Excellent for handwatering and sprinklers
- ✓ Eliminate hydrophobic spots
- ✓ Improve soil and turf health
- ✓ Reduce irrigation by 20%
- ✓ Improve nutrient uptake
- ✓ Improve plant vigor
